- Consulting companies regarding marketing and sales related topics
- Workshop moderation
- Team development and support

Experience in

- Retail
- Industry
- Service sector

Additional Qualifications

- Fluency in English: English is offered as language of instruction, business fluent

I achieve through my work

- That the focus is on the human being without losing sight of performance objectives
- To never lose track in critical situations
- That the focus is shifted from the problem to its solution
- That the problem is reviewed and resolved in its context
